OUTSIDE

OUTSIDE

AGENTS NOTE

- March 2014: The property had Thermoshell External Wall Insulation installed on the exterior of the building. This is to provide great improvement to it's energy efficiency and has a 25-year guarantee from installation. Documentation available on request.

- October 2007: Repairs to the steel stanchions were carried out by a professional contractor. The work involved the replacement of steel brackets to the base of the property supports. This has a potential benefit to mortgage applications against the property. Documentation available on request.
